

**The Taunton River
Wild and Scenic River Study
Outstanding Resource Values**

Heritage Landscape Inventory

- 1/2 Mile (each side) Buffer Study Area for Taunton
- Buffer for Significant Tribs
- Rivers/Streams
- Lakes/Ponds
- Major Roads
- Study Area Towns
- Surrounding Towns
- R.I. Towns
- Heritage Landscape Inventory

Goals of the Study

- *To understand and preserve the Upper Taunton River corridor as an intact river ecosystem and regional resource.
- *To develop a strong coalition of municipalities, citizens, nonprofits, and agencies for planning and implementing public education, land-use, recreation and conservation strategies for the Upper Taunton River.
- *To secure a designation for the Upper Taunton River as a National Wild and Scenic River.

This map was produced by SRPEDO (Southwest Regional Planning and Economic Development District) Taunton, MA. Portions of the map data may have been supplied by the Massachusetts Department of Environmental Affairs, Massachusetts Division of Marine Fisheries, Division of Fisheries & Wildlife, USGS, South Coast National Estuarine Research Reserve, National Oceanic and Atmospheric Administration (NOAA), the Wildland Trust, and the Taunton River Wild and Scenic River Study Committee.

The location of design boundaries shown on this map are approximate and are provided for planning purposes only. The map is not suitable for high engineering or survey purposes.

The funding for this project was provided by the National Park Service, National Wild and Scenic Rivers Program. For further information, please contact Anne Trebilcock, National Park Service, trebilcocka.taunton@nps.gov
